Due to COVID-19 we have modified this event to address the safety concerns expressed by our members. The event will now take place outdoors and be limited to the first 30 ticket purchasers so that we can practice social distancing.

Come aboard Monday October 12, 2020, as we embark on our cultural journey throughout La Bell'Italia. This year, our compass leads us to a new port of call: Barbatella Trattoria offers a perfect setting to reconnect with ICS friends and discover new ones, as we share stories of summer adventures and activities! In the spirit of camaraderie and discovery, get ready to set sail and help us celebrate the beauty and spirit of all things Italian!

For special dietary needs, please contact the event Chair at least one (1) week before the luncheon.
